

Unlock Your Practice's Potential.

Flexible Training to Suit Any Need

Get the most out of our software.

Our team brings extensive experience in the medical software industry and understands the special needs and competing demands of busy Australian and New Zealand health professionals.

With a diverse range of training options available, we provide a solution to fit everyone's needs.

Improve your knowledge, increase efficiency and maximise profitability

Training delivered via multiple channels to meet your preferred learning style

Identify and remedy knowledge gaps within your team

Get more from your investment

Ensure continuity of care and promote a better patient experience

Minimise risk to patients, clinicians and your Practice

*For GPs and Practice Managers who are members of AAPM or RACGP and who use Bp Premier
**Available for Bp Premier

Remote & Virtual Training

Our remote and virtual training sessions are delivered live online by one of our knowledgeable trainers, and provide a flexible, cost effective way to further your software skills. Sessions are recorded to share with your team or to revisit at any time.

Bp Premier Virtual Classes

-  Numerous curriculums to choose from based on Practice roles
-  Network and bounce ideas off like-minded colleagues
-  Sessions are held regularly each month

Remote Training for All Products

-  Fully customise your curriculum or let our training experts guide you through your training needs
-  Focused one-on-one or group training to learn at your own pace

Face-to-Face Training

 Face-to-face instructor-led training that caters for all levels of experience

 These comprehensive courses are regularly held in major cities across Australia

 Multiple course offerings to choose from which align with Practice roles**

 Network and knowledge share with industry colleagues

 AAPM/RACGP CPD points available for certain activities*

 Gain hands-on experience with Bp software in a safe and supported environment

Further Your Knowledge With Our Free Learning Resources

Upskill your knowledge with our library of free resources, brought to a screen near you, for professional development on demand. Tune in from the office, home or anywhere in the world.

● **Webinars**

Get more from your Practice software with our live and recorded webinar series. Explore and learn about reporting essentials, system setup, accounting best practices, legislative and industry updates, the latest version releases, new functionality and much more.

Take advantage of the Q & A to ask Practice-specific questions.

●● **Online Video Library**

Videos available on demand covering a wide variety of topics from Medicare to My Health Record. Missed a webinar? Our online library is the place to go.

Available 24 hours a day, 7 days a week on our Vimeo channel.

●●● **Knowledge Base Articles**

Easy to navigate, step-by-step articles for each of our products. We cover frequently asked questions, installation tips, new features, existing functionality and more.

Download our guides and other resources anywhere, anytime, to read at your own pace.

About Us

Your patients depend on you, Practices depend on Best Practice Software.

Since inception in 2004, we've been market leaders in providing medical software that helps Practices focus on what matters most: their patients. Through our network of in-house and external medical practitioners, and ongoing engagement with Practices, we ensure our robust software is ahead of the curve to meet the ever-evolving needs of modern, dynamic Practices.

With operation centres in Bundaberg, Brisbane, Sydney and Hamilton NZ, our team prides itself on our strong reputation for quality software and exceptional service.
