Your Patients Depend on You.

Practices Depend on
Bp Premier.

Best Practice
An evolution in medical software

Engineered by a Doctor for Doctors.

Improve Monitoring of Health Outcomes

Keep on top of patient progress with consistent and accurate clinical coding, quick health statistic extraction, and easy uploading to My Health Record.

Enhance Patient Care

Strengthen your Practice-patient bond with omni-channel correspondence and intuitive bookings. Clinical recalls, appointment reminders, health summaries* and awareness messages can be easily sent via Bp SMS, the Best Health App or by letter.

Inbuilt Tools to Support Decision Making

Prescribe with confidence with the inclusion of MIMS PI, CMI and Abridged Prescribing Information, alongside dynamic patient data such as allergies.

Simplify Communication

Benefit from streamlined communication between provider and laboratory. Send pathology and radiology requests at the click of a button, and conveniently receive the results in Bp Premier.

Spend More Time Engaging With Patients

Carry out more meaningful interactions by taking advantage of snappy shortcuts, easy lookups, configurable pop-up prompts, intuitive clinical workflows, percentile charts and more.

*Using the Best Health App

Tools to Better the Patient Experience

Work faster and more efficiently with inbuilt tools such as preventive health alerts, care plans, risk calculators and Murtagh's patient education guides, to assist at each stage in the patient journey.

Bp Premier

Spend *Less* Time Processing and *More* Time Practicing

Bp Premier helps your Practice engage with patients, run a smarter business, provide better care and get paid faster.

Bp Premier is an intuitive, easy to use platform for clinical treatment, front office reception, as well as Practice and financial management.

Better Data at Your Fingertips

From the provision of direct links embedded in patient emails to prompt for current contact information, to intuitive programming that auto-corrects erroneous entries by staff, Bp Premier is a trusted tool to ensure patient information is accurate and up to date.

Record Better Data, Faster

Speed up notetaking with personalised shortcuts and automatically populate consultation notes with patient and clinical data.

Take advantage of shortcuts, customisable templates, favourites functionality and more.

Improve Availability and Reduce No-shows

A multi-view calendar system and scheduling functionality includes alerts such as appointment reminders, patient balances due, and a virtual waiting room to support proactive patient check-in and administration.

Keep a Finger on the Pulse of Your Practice

Enhanced analytical tools allow for detailed and flexible financial reporting and accounting, allowing you to accurately and proactively gauge your Practice's financial health.

A Centralised Digital Health Footprint

Store comprehensive patient data in secure records with a wide array of available fields.

Bp Premier has been developed with security at front of mind, to ensure sensitive data is safe and secure.
Increase Cashflow and Get Paid Faster

Bp Premier is an all-in-one billing and reporting system with the ability to report on your Practice's finances and reconcile processes between health fund payments and accounting systems.
