Free Up Time for Meaningful Interactions

Reduce costly no-shows and free up reception staff through easy to use, automated appointment reminders, simple workflows and helpful message templates.

Simplify Communication

Seamless two-way SMS messaging simplifies patient communications and allows patients to confirm appointments with a simple yes/no reply.

Modernise Your Practice

Save your Practice money by digitising communications and reducing the cost of printing and mailing paper correspondence.

Seamless Integration

Bp SMS reminders can be sent to, read and received, on any mobile phone. No smart phone required!

Provide a Higher Level of Care

Enhance the patient experience by using Bp SMS to send eScripts*, recalls*, reminders, and health awareness messages.

Intuitive, Inbuilt Functionality

Improve Practice efficiency by easily setting up automated appointment reminders with simple workflows and message templates.

Trust that Your Sensitive Patient and Clinical Data is Safe and Secure

Bp SMS communications are sent through an Australian, Tier 1 SMS service provider, with patient data staying onshore at all times. Bp SMS promises:

- The fastest, most reliable SMS communication
- Unparalleled service quality and data security

Don't Settle for Less!

Using Bp SMS means you don't have to juggle providers, troubleshoot integration issues or settle for a solution that doesn't integrate with your Practice management system.

A Flexible Investment You Can Bank On

Bp SMS offers flexible, tiered, affordable messaging packs to suit your Practice. Buy only what you need. With no annual subscription fee, you can pause and resume service at any time with no financial impact.

About Us

Your patients depend on you. Practices depend on Best Practice Software.

Since inception in 2004, we've been market leaders in providing medical software that helps Practices focus on what matters most: their patients. Through our network of in-house and external medical practitioners, and ongoing engagement with Practices, we ensure our robust software is ahead of the curve to meet the ever-evolving needs of modern, dynamic Practices.

With operation centres in Bundaberg, Brisbane, Sydney and Hamilton NZ, our team prides itself on our strong reputation for quality software and exceptional service.
