

Software to Suit Your Unique Role in Healthcare.

A Flexible, Ultra-Customisable Practice Management System for Every Allied Health Professional.

Bp Allied is an easy to use, client care solution ideal for multi-discipline Practices. The all-in-one solution covers bookings, reminders, treatment notes, account management, invoicing, reporting, payments and key support integrations. Reach your Practice's fullest potential with Bp Allied.

Keep Your Practice Busy and Running on Schedule

View your daily and weekly calendars, assign tasks to practitioners, automate appointment reminders and use waiting list functionality to minimise appointment gaps.

Keep Patient Outcomes Front of Mind, Always

Rely on robust allied health tools to complement your existing workflows. Ensure that your clients get maximum value from their appointments each and every time.

Decrease Administration and Increase Meaningful Interactions

Spend less time managing and more time practising with streamlined workflows and customisable multi-disciplinary templates specific to your profession.

Reduce No-Shows and Increase Engagement

Keep clients returning to your Practice and increase engagement through online bookings⁽¹⁾ and automated SMS reminders⁽¹⁾, freeing up your staff to focus on more essential tasks.

Secure Access to Patient Records, All in One Place

Remain organised with all your client correspondence, video and audio files, treatment notes, referrals, documents and images securely stored in one location, for a holistic client record.

Clock the Financial Health of Your Practice

Bp Allied has everything you need to manage your business profitably. Analyse detailed reports of your Practice's operational health. Set Practice targets and monitor performance through weekly reports.

⁽¹⁾ Available via our integration partners

Bp Allied

Propel Your Practice with Feature Rich Functionality.

Robust Payment Module⁽¹⁾ to Optimise Cash Flow Health

Get paid quicker and benefit from a flexible platform that can handle multiple services, products, and payment methods with inbuilt online claiming functionality. Keep your finger on the pulse of your business with our collection of KPI reports.

Offer Consultancy Choice for Your Clients via Telehealth

Zoom integration provides a quick and secure way to schedule telehealth appointments. Create and manage appointments within Bp Allied, and email or SMS the meeting details directly.

Flexible Scalability for Your Practice

Whether you have one practitioner or 100, one location or many, Bp Allied will scale with you as your Practice grows, for uninterrupted business continuity and support.

Easily Track Client Sessions Remaining Per Referral

A visual session tracker and intuitive notifications alert you to when a client has used up all of their allocated appointments.

Complete Permission Control

Ensure sensitive data is only available to authorised individuals with varying user roles and permissions, controlled by your Practice administrators.

Hosted by Us or You

Choose from a Fully Hosted solution with regular offsite backups, or a Desktop Subscription allowing you to control your backups. Backups can be performed on-demand or via prompts upon exiting.

Take Advantage of an Unparalleled Integration Network

Bp Allied integrates with numerous platforms to help make your practice management solution even more powerful.

Invaluable Health Tools for a Range of Professions – Built In.

In addition to the standard fields and tabs that Bp Allied comes with natively, the discipline-specific modules offer functionality for the following professions. You can fully customise all fields and templates in Bp Allied by renaming them, removing them or adding your own.

It's all up to you!

Psychology

Includes DASS 21, DASS 42, K10, MMSE, HoNOS and BPRS tests.

A Customisable Solution with Ongoing Customer Support

Every Practice is unique, and so are your needs. Get the most from your investment with our ongoing support options, including:

- An extensive free, online Knowledge Base library providing how-to guides and answering many frequently asked questions
- Unlimited phone and email support, at no additional cost, to help if you get stuck along the way
- Affordable, tailored remote training is also available for you and your Practice. Choose from one of our popular topics or customise your own curriculum

About Us

Your patients depend on you. Practices depend on Best Practice Software.

Since inception in 2004, we've been market leaders in providing medical software that helps Practices focus on what matters most: their patients. Through our network of in-house and external medical practitioners, and ongoing engagement with Practices, we ensure our robust software is ahead of the curve to meet the ever-evolving needs of modern, dynamic Practices.

With operation centres in Bundaberg, Brisbane, Sydney and Hamilton NZ, our team prides itself on our strong reputation for quality software and exceptional service.
